

REMARKS

Claim Rejections

Claims 1-12 are rejected under 35 U.S.C. § 112, second paragraph. Claims 1-12 would be allowable if rewritten or amended to overcome the rejection(s) under 35 U.S.C. § 112, second paragraph, as set forth in the outstanding Office Action.

Drawings

Applicant has amended Figures 1, 2 and 4, as illustrated on the attached replacement formal drawings, accompanied by a LETTER TO THE OFFICIAL DRAFTSPERSON. Figures 1, 2 and 4 were amended to add reference number --100--. No "new matter" has been added to the original disclosure by the amendments to these figures. It is believed that the foregoing proposed amendments obviate the outstanding objections to the drawings. Entry of the corrected drawings is respectfully requested.

Abstract of the Disclosure

Applicant is submitting a substitute Abstract of the Disclosure for that originally filed with this application to more clearly describe the claimed invention. Entry of the substitute Abstract of the Disclosure is respectfully requested.

Amendments to Specification

Applicant has amended the specification as noted above to cure obvious grammatical and idiomatic inaccuracies. It is believed that the foregoing amendments to the specification overcome the outstanding objections thereto. No "new matter" has been added to the original disclosure by the foregoing amendments to the specification.

New Claims

By this Amendment, Applicant has canceled claims 1-12 and has added new claims 13-24 to this application. Canceled claims 1-12 have been rewritten as new claims 13-24. New claims 13-24 are commensurate in scope with original claims 1-12. It is believed that the new claims specifically set forth each element of Applicant's invention in full compliance with 35 U.S.C. § 112.

Since claims 1-12 have been indicated as being allowable if rewritten or amended to overcome the rejection(s) under 35 U.S.C. § 112, no detailed discussion of the cited prior art references is believed to be necessary.

Summary

In view of the foregoing amendments and remarks, Applicant submits that this application is now in condition for allowance and such action is respectfully requested. Should any points remain in issue, which the Examiner feels could best be resolved by either a personal or a telephone interview, it is urged that Applicant's local attorney be contacted at the exchange listed below.

Respectfully submitted,

Date: March 10, 2004
